

Sunday Morning Parking

It is so wonderful to see such a growth in church attendance, but our parking lot is getting quite full! With that in mind, please take note of the following guidance:

1. Please **DO NOT** park along the south side of the driveway (along the fence). This is a fire lane and needs to be kept clear. Thank you.
2. Please **DO** park in the gravel lot at the lower level. The gate and lower door will be open for you. The Elevator can be made available for those who need to use it.
3. Please **DO** continue coming to worship. 😊
